**EMPLOYER'S REQUEST FOR EXTENSION OF TIME TO FILE REQUEST FOR
REVIEW**

Now comes the Employer, ManorCare of Yeadon PA, LLC, by and through its attorneys, and hereby requests a 7-day extension of time to file a Request for Review of the Decision and Certification of Representative and the Decision and Direction of Election in each of the cases from the current due date of November 27, 2018.

The grounds for the requested extension in the consolidated cases are:

1. The current deadline presents a short filing period with an intervening Thanksgiving federal holiday, which presents scheduling issues of case preparation in the shortened workweek;
2. Undersigned co-counsel for the Employer, Leigh Tyson, is involved in multiple matters currently and the current deadline presents scheduling difficulties;
3. The planned Request for Review concerns three decisions in two consolidated cases.

On November 19, 2018, Employer's counsel attempted to obtain prior consent for this request from all parties for a mutual extension of all due dates by 7 days. By email on that date, Employer's counsel contacted Steven Grubbs, Regional Advocate for SEIU Healthcare Pennsylvania. Counsel Grubbs has not yet indicated a position on the requested extension.

Based on the reasons above, the Employer respectfully requests that the request to extend the due date for filing the Request for Review by 7 days be granted and that prompt notice issue.

Requested this 20th day of November, 2018.

Respectfully Submitted,

/S/
